Ok np, lmk what works. I was told through the grapevine that you don't want us converting, which I don't have an issue with, and we are fine accepting cash payments, all I'm asking is for there to be open communication so we don't run into misunderstandings. I always like to settle things directly without playing broken telephone through the lawyers.

Scott, I'd like to resolve this without lawyers involved if possible. Let me know if you are open to that.
